

BUYING GUIDE

■ Protect your signs for life

Seton UltraTuff™ Overlamine adds an invisible protective barrier between your sign and the elements so **you never have to worry about damaged or faded signs again.** For less than \$10, you can shield your safety and traffic & parking signs for life.

SETON
UltraTUFF™
OVERLAMINATE PROTECTION

■ Here's what you get:

■ UV Protection

Seton UltraTuff **prevents fading, chipping, rusting, and cracking**, ensuring your sign is in top condition for the highest level of safety at all times

■ Graffiti & Grime Resistance

Never worry about solvents or chemicals ruining your sign again – **graffiti, dirt, oil, and grime wipe right off**, keeping your sign's message clear and easy-to-read

■ Damage Prevention

A clear layer shields your sign and **prevents peeling and abrasion**

■ Lifetime Guarantee

Your sign won't fail during its lifetime – or we'll replace for free. It's that simple!
