

## SETON VALVE FINDER CEILING TACKS

- Description:** Valve Finder Ceiling Tacks easily push into acoustical ceiling tiles to mark location of hidden valves. Their rubberized top coating can be written on with a permanent marking pen.
- Use:** Designed to mark location of valves hidden behind ceiling tiles.
- Colors:** Available in yellow, white, red, orange, green, or blue.
- Specs:** Tacks are 7/8" in diameter and have a 1/2 point.  
Boxes of 25 tacks.  
One permanent marking pen is included with each box of tacks.
