

## PRODUCT DATA SHEET

### Ceiling Markers

**Description:** Seton's acrylic ceiling markers are valve tag accessories that keep employees and guests informed of mechanical assets and systems in the facility.

**Use:** Ceiling markers indicate the location of valves, pipes, and dampers positioned on ceiling tiles hidden from plain sight. Available blank or with directional arrow to provide color-coded identification that meet ANSI/ASME 13.1 Standard.

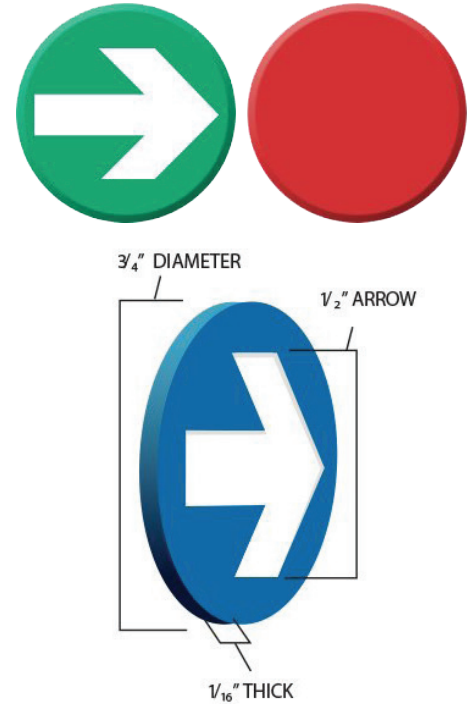

**Adhesive Type:** Self-adhesive

**Standard Legend Colors:** White or Black

**Standard Background Colors:** Green, red, blue, black yellow, orange

**Thickness:** 1/16"

**Standard Sizes/Dimensions:** 3/4"
