

ReadyGuard® Asset Labels

Affordable and reliable asset labels that are ideal for indoor environments

Seton's most economical Asset Labels are a top choice for indoor environments. Offered in various materials that will make sure you're ready for any application.

Features

Roll form labels resist moderate elements such as heat, tearing and stretching. Protective topcoat guards labels from abrasion and smudging.

Application

Universal, strong adhesive adheres securely to most clean, dry surfaces such as computers, scanners and other office furnishings. Available in 500 or 1,000 label rolls for easy application.

Materials

- Laminated Paper - 3 mil (.003")
- Laminated Vinyl - 4.4 mil (.0044")

Industries

Education, Distribution, Business/IT Services.
